Memo submitted for orders

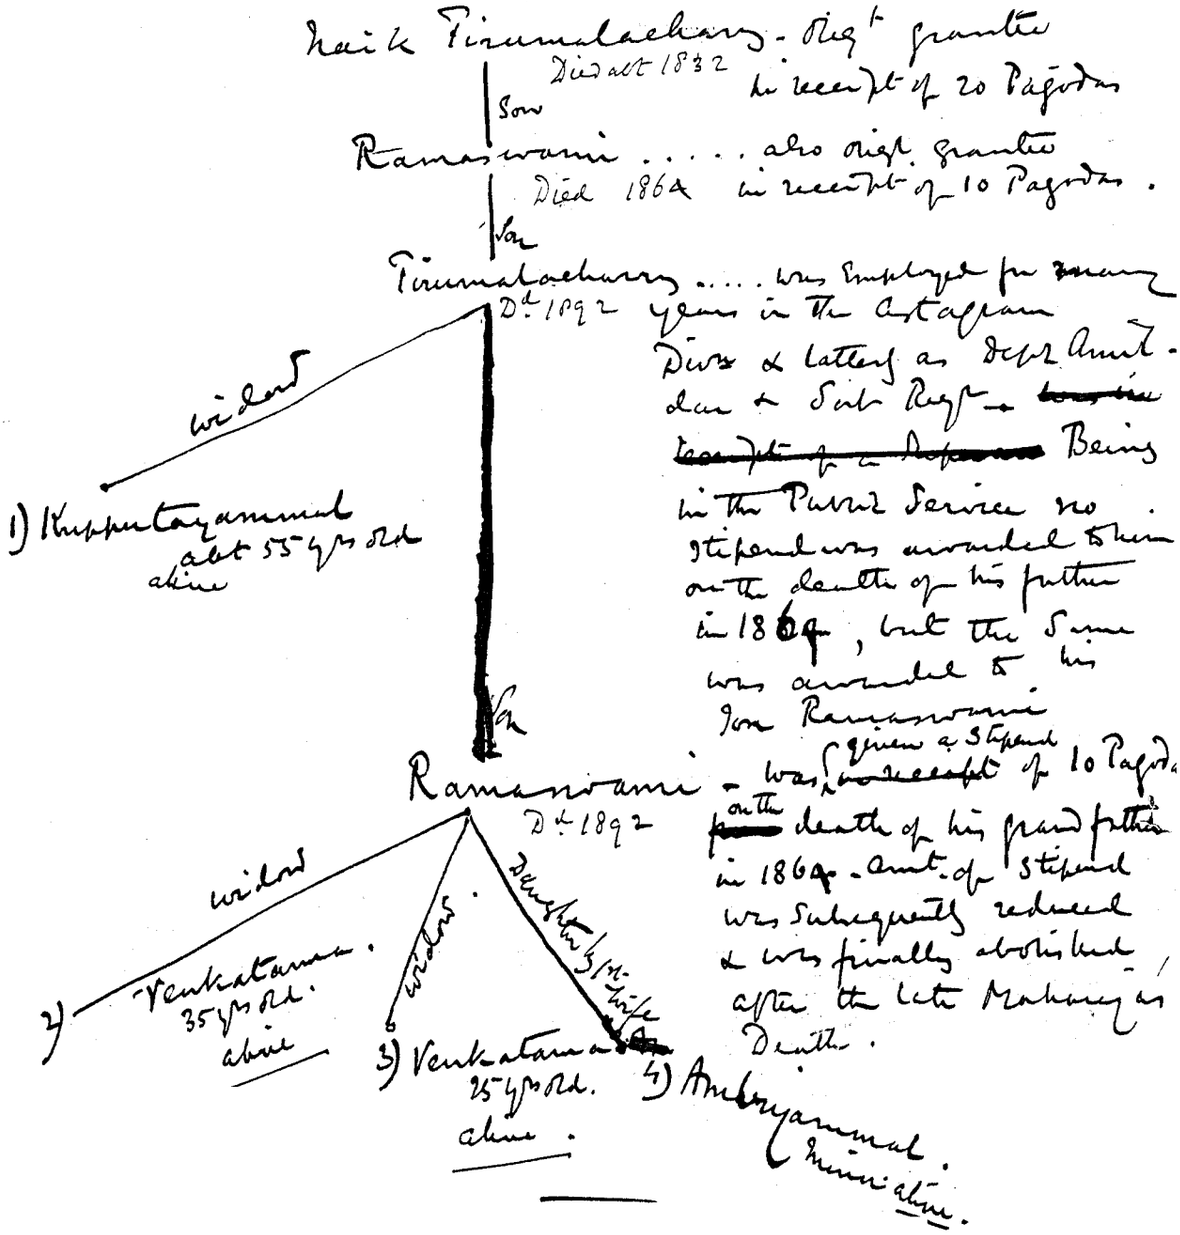
Re the claim of Naik Tirumalachary's heirs to a State Pension in accordance with H.H. Krishnaraja Wodeyar's Sanad dated 13 Sept. 1811 —

1. A reasonable construction of the Sanad, a copy of which with translation is appended, goes to shew that H.H. the late Maharaja intended to grant to Naik Tirumalachary & his Son & heirs in perpetuity a Sum of 30 Pagodas per month. Originally this Sum consisted of Naik Tirumalachary's pay of 20 Pagodas & his Sais pay of 10 Pagodas

2. The grant in my opinion comes under Clause (b) of Para IV of Rules for the settlement of Ready money Inams (Vide p. 53 Revenue Manual), and is, in strict justice, one which should have been settled in accordance with Clause (a) of Para VII of the same Rules, & continued, without interruption or reduction, to the heirs in perpetuity. But owing probably to the ~~laches of~~ the grantee's heirs not duly ~~pardon~~ presenting the claim, ~~it was a matter of fact~~ the stipends ~~reduced~~ to 10 Pagodas when Naik Tirumalachary died about 1832; it was still further reduced at subsequent periods

till ~~it~~ at last it was ~~my~~ Rs 12 per Mensem in favour of Ramaswami the great grandson of the original grantee; And this reduced grant was abolished between ~~the~~ 1868 - 1870 ~~the~~ at the Settlement of Palace affairs upon the death of ~~H H~~ the late Maharaja

3. The following table shows the descent of the Claimants.



4. Having regard to the length of time which has elapsed since the Stipend came to be discontinued first in part & afterwards in whole, it is perhaps ~~[illegible]~~ inexpedient now to reopen the question from the point of the rights involved - But the case is one deserving of very special Consideration at the hands of H.H. the Maharajah and I accordingly submit it for orders. In my humble opinion

(1) a State pension of Rs 12 a month may be granted to the three widows, to be held during the life time of one or more of them and to Lapse on the death of the last survivor of them

(2) a Stipend scholarship of Rs 8* be granted to Shekhaiya (husband of the minor daughter) to enable him so long as he prosecutes his Studies at some recognized School, but not for more than 5 yrs from this date.†

* Rs 10 or Eight.

These will be considered generally liberal under the circs of the Case and fairly meet the requirements of the present family -

"Ask the Dy. Comr. if he can give any information to enable me to dispose of prayers (1) & (2)"

Prayer (1) is a request for the grant of a bonus of 3 months' pay, as no notice was given of the intended retirement - Bonus is given only in the case of officials whose appointments are abolished on reduction of Establishment, without sufficient notice - In the present case, the appointment which Petr's husband held was not abolished, and he was ordered to retire on a retiring or superannuation pension - The request for bonus is therefore inadmissible -

Prayer No (2) is for the disbursement of the pension which Petr's husband was entitled to, from 1st May to 9th Sept 1892. Papers regarding the pension are herewith submitted

PETITION DEPARTMENT.
REG'D. NO. 7730
DATE 22-9-92

Most Respected Sir,

I, Oppiranganaichammma alias Kuppathayammma widow of Naik Dimmalacharier late Sub Registrar of Mysore Most respectfully beg to submit as follows:-

2. That my husband served the Mysore Government in various capacities from the year 1852 up till the end of April 1892 a period of over 40 years. At the end of April

last when the Government had sanctioned an increase to his pay and appointed him to be a 1st grade Sub Registrar, and then order followed retiring him from service. So the three months previous notice provided by rules had not been given in his case. I believe he has address the Inspector General of Registration on the subject.

3. After his retirement, my husband attempted to marry his only grand daughter and heir in June last which he did; but to his great misfortune the bridegroom became seriously ill and after a treatment of nearly 35 days the boy recovered. Just at that time my only son who was Paramount

Clerk in the Mysore District Office by
name Ramaswamy Iyengar became
seriously ill and within a week of
his illness he expired and my husband
stood as the only male member and
heir for the whole family - The deceased
son has left two widows. My
husband was groaning under these
several misfortunes and ultimately
his death blow also neared and
on the 9th of this month that is 32 days
after the death of his son, he expired
leaving me a widow. So we
three widows are the surviving
members of the whole family.
Thus the illustrious Naik Vira-
malayas family became extinct
of male members from the 9th inst.

4. I cannot sufficiently express the trouble I am in at present. I lost my only son a month ago and lost my husband now. To add to all these misfortunes my husband has left a debt of over 11,000 Rs: - I have to answer for these demands.

5. As your honor is personally aware my husband belonged to a very respectable old family of Mysore whose members were enjoying large stipends from Palace. A copy of the Sanad issued by the Late Highness in his own hand writing is respectfully submitted for perusal.

6. As time has now come that that family should no longer prosper on the face of this Earth, I beg that our

unfortunate circumstances may be graciously taken into Consideration and grant the following relief.

(1) Grant us the three months bonus which was due to my deceased husband.

(2) Grant us the amount of pension which my husband Earned from 1st May to 9th Sept/62

(3) Grant suitable Compassionate allowance to me, a helpless widow being the wife of a Government Officer who served Government for 40 long Years and died without enjoying his well earned pension — Moreover my husband belonged to a very

good old Mysore saying - This fact also should not be lost sight of -

7. Our Circumstances at present is very much straightened and there is not a single pie on hand to meet the obsequies of the deceased person We have borrowed money for all that without chance of repaying - They respectfully therefore that Your honor will extend your kind generosity towards a poor & helpless widow like myself and render me such help as my present state deserves.

8. There are instances of human misery in the world, but the calamities which have befallen me are strange to the world and

never heard of previously.

I will be only taking up much of your valuable time by simply explaining my difficulties which may well be imagined rather than explained and to beg permission to step with a confidence that my humble solicitation will meet with your honor's kind and favorable support.

I beg to remain
Most respectfully
Your Most Obed't Servant.

The Humble Memorial of Kupputhayamma alias Springanaicharamma widow of Naik Nimmalaiah late the Registrar of Mysore

Most Respectfully Sheweth,

That your Memorialists family has been an ancient one in the Province of Mysore. Before and after the fall of Seringapatna your Memorialists husbands' ancestors were exclusively employed in the Palace Service, and after the transfer of the Country to Native Rule in 1799 Naik Nimmalaya entered the Service of His Highness the late Maharajah and continued all his life time to be a most devoted and faithful servant in the Palace on a monthly Salary of 20/- Pagodas.

The enclosed copy and translation of a Nirup granted by his Highness the late Maharajah under date the 13th September 1811 will show in what esteem he was held. This Nirup was issued in his Highness the late Maharajah's own hand while in power and it announces that Naik Nimmalaya, his son Ramaswamy whether they worked or not, and after them their heirs, will be entitled to receive from Palace Salary at 20/- and 10/- Pagodas respectively in perpetuity. According on the death of Naik Nimmalaya, his son Ramaswamy drew the salary allotted to him and he continued to draw it till his death which was in 1864. Rama: swamy's son N. R. Nimmalachar having during the life time of his father, entered the service of the Mysore Commission, the Palace stipend which Ramaswamy enjoyed was conferred on his grand son Ramaswamy. He continued to draw it till 1870 when it was stopped owing to Palace reorganization —. N. R. Nimmalachar got on in the public service served Government for upwards

of 40 years and was retired in May 1892. His son Ramaswamy also got into service in 1886 and held the appointment of Maramut Clerk in the Mysore District Office.

2. Thus it may be observed that the family had been in continued happy circumstances for over 90 years and it needs mention here that your Memorialist's husband and son, in view to maintain the dignity which their forefathers had earned, had been borrowing large sums of money on the security of their ancestral property and spending it as they pleased which at last amounted to 15,000 Rs. nearly.

3. On the 4th August 1892 Ramaswamy, your memorialist's son, fell ill and died on the 9th idem. It may be noted here that that young man was the only son and heir to represent the whole family and with his death the growth of the family stopped. Naik R. Nimmalachari was groaning under the pain of the loss of his only son for nearly a month and after that he also suddenly died just as he was

a period of 30 days both the male Members of the House departed from this world leaving three helpless widows and a female minor child to their own fate encumbered with a very heavy debt to clear

4. The demands of the Creditors becoming greater every day your Memorialist, in order to avoid litigation and to preserve the good name earned by the family, disposed of all her and her daughters-in-laws personal jewelry and of her husbands both moveable and immoveable property and cleared, in a most careful manner, debts Amounting to Rs: 13,500; and there is no tangible property left to meet the balance of the debt.

5. Your Memorialist has therefore been left in a most distressed condition just now that she has not the means of meeting the dead mens monthly and yearly Ceremonial Expenses; much less to meet her own daily requirements; So your Memorialist who was foreigner to all these calamities has now been entirely reduced to destitution and that

there is no other alternative but to seek your Excellency's protection at this most critical period of her life and she accordingly begs of your Excellency to intercede on her behalf and secure for her the Palace Stipend which was enjoyed by the family for nearly 71 years and which the Samasthanam promises to continue to your Memorialist's family in perpetuity in consideration of their faithful and devoted service in the Palace.

6. Your Memorialist further begs to submit that the minor girl by name Anubujammal the daughter of Ramaswamy, who is reading in Her Highness the Maharani's Caste girl's school has been married and her husband is now reading in the Mission High School here, and as he is also a poor boy, a suitable scholarship may be conferred upon him until such time as he is able to earn his own livelihood.

7. In which act of kindness

your Memorialist as in duty bound
shall ever pray for your Excellency's
long life and prosperity —

MYSORE DEWAN'S OFFICE
PETITION DEPARTMENT
REG'D. NO. 29629
DATE 11-6-98

Sir K. Lesha Ari Iyer Esqr. B.A. C.S.I
Dewan of Mysore.

Most respected Sir

With reference to our memorial of the 19th June 1893 and the order of Govt. passed thereon Camp No. 410-12 of the 19th idem Sanctioning a pension for our maintenance and a Scholarship for Lesha Iyengar our Son-in-law for his education, we beg to lay the following few lines for your generous consideration.

2. At the time of the Govt. order our mother-in-law Ikuppathayammal alias Srirangapuna Charammah wife of Late Naik Sirumala Char was alive. She died in the beginning of 1896 and the burden of maintaining the family as well as educating our Son-in-law devolved

upon us. With the small pension that the Govt. so graciously granted us, coupled with the Scholarships granted to Sesha Iyengar, the latter was able to study and get promotion upto the Pre-Matriculation Class. If he continues to study for a few years more, he will pass some examinations which will entitle him to get into Govt. Service. But unfortunately the Scholarships granted in the proceedings quoted above ceases with effect from the 19th June 1898 as the period of 5 years for which it was granted closes on that date. Further education of Sesha Iyengar devolves upon us, and the expence of his education, we are unable in our present state of poverty to meet. Sesha Iyengar is still under 20 years and he can study for 5 years more. He is anxious to study them to get into Govt. Service just now. We humbly solicit your excellency to view our deserving Case favourably once more and to order the continuance

five years and at the end of
time or desire may be passed to provide
him with some suitable employment
under Govt. This piece of kindness,
added to the great kindness already
shown by your excellency in saving
our family from ruin, will enable us
to gain grounds, live happily under
your excellency administration, and
to pray for your long life, and
prosperity.

We beg to remain
Most respected Sir

I have slightly altered the words of the Diwan as the words - "as the young man is already twenty years old" - are not strictly correct - It is stated in the Petition that the young man is "still under 20 years" -
